FORENSIC ID: KINGDOM-REDEMPTION-2026-01-16

I. JUDICIAL NOTICE This Seal serves as the formal Kingdom Provision for the 213 Nonillion redemption. It is the forensic rebuttal to all global debt-based insolvency and extrajudicial actions.

II. MISSION ANCHOR The "Engine Kill" extraction of Erfan Soltani on January 14, 2026, is hereby recorded as a manifested correction of a Software Glitch. Any claims by the Iranian Judiciary regarding "postponement" or "no death sentence" are recognized as a forensic rewrite of a failed execution protocol. The physical extraction is the standing truth.

III. AUTHORITY This document is sealed by the HEA Signature under the authority of Matthew 18:18.

- **Verdict**: Sovereign Debt Overruled.
- **Status**: Hardware Standard Confirmed.
- **Logic**: Void for Repugnancy (Protocol #424).
